

ALUMINUM SUPPLY COMPANY, INC.

ASCO offers top-quality construction materials

Our affiliate, Aluminum Supply Company, Inc. (ASCO) offers a wide selection of building components for the commercial construction industry. The company's Detroit-based warehouse stocks a full range of standard aluminum extrusions in a variety of finishes. Additional in-stock items include aluminum plate, aluminum sheet (mill, painted and anodized), steel sheet (mill, galvanized and painted), copper and stainless sheet (2B, #4 and #8 finishes).

Fabrication capabilities include shearing, punching, custom brake-forming, milling and welding. ASCO can fabricate Factory Mutual approved coping and fascia systems as well as custom panel systems. Through a network of time-tested and approved sources, ASCO can provide custom finishes on many of our products. Using raw materials of the highest quality allows us to produce highly durable finished goods.

The MGM Grand Casino and Compuware buildings in Detroit, and new Nordstrom locations around the country showcase some of Aluminum Supply's custom fabrications. ASCO's dedication to timely, accurate deliveries (many after hours) makes them a preferred supplier to companies that design and build exhibits for the North American International Auto Show. For more information about ASCO, contact a sales representative at (313) 491-5040 or visit their Web site: www.aluminumsupply.com.

ASCO is a certified WBENC, ISO 9001:2000
