

# INVENTORY MANAGEMENT **MRO**

MAKE THE RIGHT CONNECTION  
MSI SERVICES GET RESULTS

## REDUCE COST

MSI Inventory Management Solutions allow for effective cost savings in purchasing, receiving, and moving inventory. Orders are automatically generated and filled.

## INCREASE PRODUCTION

Allows for customers to utilize their resources to increase production and focus on their finished products.

## ACCURATE QUANTITIES

The MSI system utilizes a combination of bar-code capabilities and leading-edge software, ensuring precise ordering.

## CUT EXCESS

Close monitoring of stock levels reduce inventory on the production floor. You'll have the material you need without the clutter. The program is reviewed quarterly for performance.

# PARTNERS IN PRODUCTION WE HELP TO ACCOMPLISH

## REPLENISHING

A MSI representative is available for onsite allocation of your order. You decide the time, and MSI will make sure your inventory is stocked.

## ENVIRONMENTAL QUALITY

Our process decreases the amount of paper and cardboard usage by up to 80% for both MSI and our clients.

## LARGER STOCK

Because we know the products you use, MSI will have an increased inventory to meet any of your production increases.

## BIN SETUP

MSI's industry connections allow for affordable setup of bins/racks for your tool crib. All bins will be bar-code labeled for ease of use.

## CONTACT US TODAY

For more information call or email us today to find out more about MSI's Inventory Management Program. Our MRO Team is available to visit your facility, and determine what products we can help you with.

Marshall Sales, Inc. (MSI) is a second-generation, family-owned business based in Detroit, Michigan. Since 1956, we have built an impeccable reputation by consistently providing quality products and exceptional service to our customers. MSI's highly experienced, extremely knowledgeable staff and endless network of industry resources ensures that we can meet the needs of any job of any size requiring fasteners or fastening installation systems. We specialize in standards, specials, and made to print parts.
